Rental Procedures / FAQ

How do I reserve Si View Pool?

To reserve Si View Pool please complete the **Online Reservation Request** or download our **Facility Request Form**, both available at <http://www.siviewpark.org/community-center.html>. All rental requests must be received at least two weeks in advance.

Are the damage deposits refundable?

Yes! As long as all rules are followed, no damage occurs and the event ends on time, renter will receive full deposit back within 2-4 weeks in the same form it was originally paid. Pool Party Packages are subject to our standard damage deposit policy. Pool Only rentals do not require a damage deposit.

Is there equipment available for use with my rental?

Yes. Pool rentals can use the small mats, noodles, balls and lifejackets. Use of tables and chairs is included with pool party packages. Rentals typically use our 6ft rectangle tables. If different tables are needed please contact the rental coordinator in advance.

Can I have decorations at my event?

Yes, with some restrictions. There is no use of adhesives, push pins or nails of any kind on the floors, walls or doors. Table top and free standing decorations work great! Candle use is regulated by Eastside Fire and Rescue and ONLY floating candles are allowed. Decorating time is included in your rental time.

Do I have to clean the facility after my use?

No! With our pool party packages Si View staff will handle cleanup of the party room. We just ask the renters have all their belongings and their guests out by the end of their rental time.

What is the fee of staying past my scheduled rental time?

If a group goes over their scheduled time then an additional fee will be charged to the renter at double the normal rental rate. This fee will be deducted from the damage deposit. With most pool parties, rentals are scheduled back to back and staying late is not an option.

Can I come in early to start setting up?

No. Your rental time starts at your scheduled time. Renters starting early will be charged double the normal rental rate for hours not included in the rental contract. Standard pool party packages include one-hour pool rental and 75-minute party room rental, which starts 15-minutes prior to guests exiting the pool. This time is great for decorating! Additional time can be reserved in advance for an extra fee, if the room is available.

What is included in the set up?

Set up for pool party packages includes tables and chairs only. There is no set up included in pool party packages that include the picnic shelter.

Do adults have to get in the water with the kids?

Possibly. We require all children under 6 years old to be with an adult in the water at a ratio of 1 adult to 3 children. Please note adults are counted as your number of swimmers in the pool.

Are lifeguards included with my rental?

Of course! For rentals up to 20 swimmers, two lifeguards will be on deck during the party and can assist you with questions before the party begins. Larger rentals will have additional life-guards on site.

Can I switch to a larger party size?

Most likely! If your rental is going to exceed the 20 swimmer max please notify the rental coordinator a minimum of 2 weeks before your rental date to switch to the larger rental size and pay the additional fees. Any group needing to switch to the larger party size with less than a 2 week notice is not guaranteed.

Are there restrictions on where kids can swim in the pool?

Possibly. For our patrons safety, kids must pass a swim test in order to use the deep end of the pool. Lifeguards will conduct these tests at the beginning of the rental.

What happens if I need to cancel?

Pool party cancellations or date request changes made with more than a two week notice will result in a non-refundable cancellation fee of twenty-five dollars (\$25.00). Pool party rental cancellations or requested date changes made with less than two (2) week notice will not be allowed or refunded.

Pool closures

Patron safety is our top priority. Pool rentals may be cancelled/postponed at a late notice if there is an unsafe situation at the pool. This may include adverse weather conditions, contamination or mechanical issues. Si View staff will contact renters as soon as possible if an issue arises and will do everything they can to not postpone/cancel an event.
