

*Dear Parents:*

*Please review the following “Facility Closure due to Inclement Weather” policy. These are the guidelines Si View Metro Parks will be operating under in the event of inclement weather and this will directly affect the After School Program.*

### **School Day Facility Closures**

On scheduled school days, the Si View Community Center, Pool and Annex Office will follow the Snoqualmie Valley School District’s Weather Advisory.

If schools are open, but running late, the Si View Community Center, Pool and Annex Office will open at 10:00 am. All programs and activities scheduled to begin before 10:00 am will be cancelled. Programs and activities scheduled to begin at 10:00 am or later will start at their normal program time.

If schools are closed, the **After School Program** and all programs scheduled to begin before Noon will be cancelled. A decision on the status of all late-afternoon and evening programs will be made by Noon.

If schools close early, all evening programs and activities will be cancelled and the Si View Community Center and Pool will close early.

### **Non-School Day Facility Closures**

The District Director or his/her designee will assess the weather conditions and make a decision on a delayed opening or full facility closure at least two hours prior to the start of a scheduled program, activity or facility rental.

*Please feel free to contact us at 425-831-1900 if you have any further questions. In the event of inclement weather, please call 425-888-1447 for facility closure details.*

*Thank you,*
