

# TRACs 2008

## teen recreation adventure camp

TRACs is a fast-paced, exciting adventure camp geared toward today's teens. The camp is filled with hiking, swimming, and other outdoor activities, as well as some "traditional" field trips. Camp will be on a field trip four days a week, with one day spent at Si View Pool and Community Center. Along with the trips, TRACs campers will participate in community service projects and arts & crafts, all based in a team building atmosphere. Make this a summer to remember with
