

Recommended Visitor Parking Areas

Parking at the Si View Plaza is limited during peak times. There are several parking options within a short walk, along the nearby streets (marked in red) or in public lots (marked with stars). Please do observe all reserved and no parking zone signs. Drive slowly - watch out for children at play, pedestrians and bicycles. Please respect private property and do not park on landscaped lawns, block driveways, mailboxes or emergency vehicle turnarounds.

Don't see a parking spot? Check the Si View parking plaza – due to in and out traffic, parking spaces free up throughout the day!
