

South Fork Landing Master Plan

Open House Survey No.1 | Please Share Your Thoughts!

Wednesday November 13th, 2019

The park master plan will incorporate active and passive recreational amenities across the 36 acres, as well as preservation and protection of critical areas.

We look forward to hearing your ideas, wishes, and concerns for this future park. The survey should take about 10 minutes. Thank you for sharing your thoughts!

1. What types of park features and activities would you most like to see at this future park?
