

Learn to Swim at Si View Pool!

Si View Aquatics Scholarship Program

Swimming is a lifelong skill as well as great exercise. Si View Community Foundation has an aquatics scholarship program with a goal of saving lives through water safety education. This scholarship is possible thanks to a generous private donation. It is available for all park district residents interested in swim lessons at Si View Pool.

Swim lessons are offered for all levels from ages 6 months and up. Choose from private or group lessons, weekday mornings, afternoons or evenings, or Saturday only lessons. All instructors are top notch, participate in ongoing trainings and certified by the American Red Cross.

Please see the reverse side for application process.
