

Parking at Si View Plaza is extremely limited during peak hours. There are several parking options within walking distance of the farmers market. Please observe all reserved and no parking zone signs. Drive - slowly and watch for children at play, pedestrians and bicycles. Please respect private property and do not park on lawns, block driveways, mailboxes, or emergency vehicle turnarounds. We highly encourage carpooling, biking, and walking to the market.

THANKS FOR KEEPING OUR STREETS SAFE!
