March 12, 2020

Thursday March 12, 2020 - One of our goals at Si View Metro Parks is to bring the community together to enhance community health and wellness. Due to public health recommendations regarding reducing spread of COVID-19, all Si View facilities and programs will be closed through March 31, 2020. Our parks remain open for public use. We understand the impact these closures have on our community members and will do our best to address any questions and concerns.

At this time, we have begun preparations for the closure. Beginning 6pm on Friday March 13, all programs, events and facility rentals scheduled through Tuesday March 31, 2020 are cancelled. This includes Si View Community Center, Pool and off-site facilities. Our staff will be working on prorated refunds for programs impacted and contact participants individually in the coming days. On Friday March 13 limited programs are operating at Si View Community Center including hot tots class, homeschool art class, tap, create choreography and dance troop. The before and after school program is closed due to school district closure.

Our parks and restrooms will remain open to the public. District staff will be available by phone during normal business hours of 9am-5pm Monday through Friday at (425) 831-1900.

As you may know, this situation is changing daily. We will post updates as needed on the District website, www.siviewpark.org.

For additional information about Si View Metro Parks, please contact us at (425) 831-1900 or email info@siviewpark.org.
