Friday April 3, 2020 – In accordance to the governor’s orders and public health guidance around social distancing to combat spread of COVID-19, the following updates are now in effect for Si View operations.

All Si View programs and facility rentals scheduled through May 4th, 2020 are cancelled. We understand the impact these closures have on our community members and continue to work on processing refunds, reschedules and addressing questions and concerns. We appreciate your patience during this time.

While Si View administrative offices are closed to the public during this time, our staff is working remotely. District staff is available by phone during normal business hours of 9am-5pm Monday through Friday at (425) 831-1900. Direct department contact list is available on our website: www.siviewpark.org/contact-si-view.phtml.

Our parks, open space and trails remain open for walking and activities that allow for recommended social distancing of a minimum of 6 feet between people. However, all active recreation amenities at our parks are currently closed. This includes all playgrounds, sports courts, skate parks and picnic shelters, ballfields and other areas where people may be in close contact. Park restrooms are also closed.

As you may know, this situation is changing daily. We will continue to post updates as needed on the District website, www.siviewpark.org. Ensuring health and safety of our community and staff is our top priority. We look forward to resuming normal operations as soon as possible.
