## What's Open and What's Closed

We are preparing to re-open park amenities and services in phases in accordance to the State's [Phased Reopening Plan](#) and associated guidance. We appreciate your patience during this transition period and encourage you to stay informed of the latest updates posted on our [website](#). Many changes are being implemented to ensure safety for participants and staff. All recreation programs will need to meet or exceed the latest applicable State COVID safety guidelines prior to resuming operations. Please [recreate responsibly](#) while exploring our local green spaces and follow the latest public health guidelines.

All Si View facilities will remain closed until our community enters Phase 3, except for passive use of park spaces, disc golf and childcare for families of essential workers. We anticipate re-opening our active outdoor recreation facilities such as park restrooms, sport courts, bike park and limited recreation programming in Phase 3. Additional recreation programming including aquatics will resume in Phase 4. Most summer events have either been cancelled or postponed, however, the Farmers Market has been permitted to operate on a limited basis starting June 11.

### Open Si View Facilities and Programs:

**PASSIVE RECREATION AREAS IN PARKS and TRAILS** where physical distancing can be maintained remain OPEN. We encourage you to walk to the park closest to where you live to enjoy outdoor activities close by your home, instead of traveling to do them. If you encounter others, maintain a minimum of 6-foot distance. Until our community enters Phase 2, only do outdoor activities with people in your immediate household (not extended families).

**DISC GOLF** at South Fork Landing is OPEN for limited play with safety requirements posted on site.

**CHILDCARE** for families of essential workers is OPEN at Si View Community Center. For more information, please call us at (425) 831-1900 or contact by emailing [awilson@siviewpark.org](mailto:awilson@siviewpark.org).

**ADMINISTRATIVE SUPPORT** is AVAILABLE, our team is working remotely and available normal business hours. Please see contact list on our [website](#).

**REGISTRATION** is OPEN for planned [summer programs](#) with a flexible refund policy should further cancellations be necessary.

### Si View Facility and Program Closures:

**ACTIVE RECREATION AREAS** in parks are CLOSED until our community enters Phase 3. This includes all areas where physical distancing is not practical such as playground equipment, sports courts, baseball fields, soccer fields, skate park, bike park, climbing wall, picnic shelters and restrooms.

**IN-PERSON RECREATION PROGRAMS** are SUSPENDED until our community enters Phase 3.

**FACILITY RENTALS** are SUSPENDED. Depending on the type of rental, some rental activities may resume in Phase 3, including limited FIELD RENTALS.

Ensuring health and safety of our community and staff is our top priority. We look forward to resuming operations as soon as possible. Thank you for your cooperation!
