

After School Programs *with* **Si View Metro Parks**

Registration begins June 8th at 9am

What are my options? Your options are Monthly Enrollment which provides before / after care for all school days or 2+ Days Per Week Enrollment for those needing 2-3 days a week of regularly-scheduled before / after school care.

How does Monthly Enrollment work? Our yearly tuition for before / after school care is divided into 8 full month payments and 2 half-month payments (December and June). Tuition payments are due in full each month on the first of the month, beginning August 1st, regardless of attendance, school closures, and school holidays. June 2019's half month payment is due on August 1st. Before / after school care August 29th – 31st for 1st – 5th grade students who have begun school is included with September's payment.

How does 2+ Days Per Week Enrollment work? A minimum of two regularly scheduled days per week is required. Days selected are non-transferable (between days and/or children), regardless of attendance. Additional days may be added for a \$5 convenience fee if space is available, however space may be limited. Payments for the upcoming month are due on the first of the month, beginning August 1st.

Can I change my schedule part way through the year? Yes, if space is available, however space may be limited. A \$25 re-registration fee is required each time a child's schedule is reduced from monthly to daily enrollment.

How do I register and pay? To register, you can apply online at siviewpark.org, over the phone or in person. More details about registration will be provided prior to the start of registration. To secure your spot, **a non-refundable non-transferable \$50 registration fee is due at the time of registration.** First tuition payment will be due August 1st.

Note for returning Monthly Enrollment families:

In **2017/18** our monthly tuition was divided into **10 equal payments**. For **2018/19** our monthly tuition is divided into **8 equal payments and 2 half payments** to more accurately reflect the number of school days in each month. Our monthly rates increased 3.5- 5.75% for the 2018-19 year.
