Si View Metro Parks Operations Update

In accordance with Washington State's COVID-19 Reopening Guidance for Businesses and Workers, an updated Si View Metro Parks operations plan will go in effect January 11, 2021. All District activities will follow the new Phase 1 guidelines set for the Puget Sound region which includes King County. These modifications will be in place until additional guidelines are issued.

Si View Metro Parks staff is committed to operating our parks, facilities, and programs in a way that ensures the health and safety of our community and staff. Our flexible refund policy is in place to minimize inconvenience to participants. We encourage you to stay informed of the latest updates posted on our [website](#), and look forward to resuming full operations as soon as possible.

Open Si View Programs and Facilities:

An order from the secretary of health requires Washingtonians to wear face coverings in public spaces and shared spaces, both indoors and outdoors. This includes outdoor spaces where people gather such as parks, playgrounds and popular walking paths. People are individually responsible to comply with this order. There are some exemptions to the DOH order, including people with certain disabilities or health conditions, people who are deaf or hard of hearing, and children under the age of 2. (Children younger than two years old should not wear face coverings. Children ages 2 to 4 should wear face coverings with adult supervision, and children five and older are required to wear face coverings.) You do not need to wear one when you are outdoors and people are far apart.
