

## SI VIEW METROPOLITAN PARK DISTRICT FOR IMMEDIATE RELEASE

November 22, 2019

### South Fork Landing Disc Golf Course Now Open

The community's newest park, South Fork Landing near exit 32 in North Bend, has quickly become a popular community playground particularly for disc golf. Si View Metro Parks staff has recently completed the installation of targets and tee pads for an 18-hole disc golf course. The course is now officially open to the public from dawn to dusk daily. Basic game instructions and park rules are posted on site. Parking is available along SE 142nd Street. For site map and additional park details, please visit [www.siviewpark.org/south-fork-landing.phtml](http://www.siviewpark.org/south-fork-landing.phtml).

***New to disc golf?*** Disc golf is played much like golf, the object is to have fun and complete the course in the fewest throws. Instead of a ball and clubs, players use a flying disc or Frisbee. A golf disc is thrown from a tee area to a target, which is an elevated metal basket. As a player progresses down the fairway, he or she must make each consecutive throw from the spot where the previous throw landed. The trees, shrubs, and terrain changes located in and around the fairways provide challenging obstacles for the golfer. Finally, the "putt" lands in the basket and the hole is completed.

South Fork Landing offers tremendous potential for both active and passive recreational uses. Master planning for this 36-acre community park is under way with site analysis, stakeholder and community input completed. The next community meeting is scheduled for Wednesday January 8th, 2020, 6PM at Si View Community Center, 400 SE Orchard Drive in North Bend. Community members are invited and encouraged to attend to review a site concept plan and to provide input.

For more information about South Fork Landing or Si View Metro Parks programs, please contact District offices at (425) 831-1900 or email us at [info@siviewpark.org](mailto:info@siviewpark.org).
