

Family Fun Day

Dear Snoqualmie Valley Business Owner,

Si View Metro Parks invites you to become a sponsor of our Family Fun Day events for 2018. These events include Family Fun Nights, Daddy Daughter Dance, Mon & Son Date Night and the Si View Harvest Festival. These events are highlights for many families in the community and can provide excellent exposure for your Snoqualmie Valley business.

**Why support Si View Events?**

Targeted local audience visiting the Park, Pool and Community Center throughout the year. Si View Metro Parks has deep roots in the community and overwhelming support of the local community – we are an **ideal partner** for your business! In 2017 Si View had 180,140 visits, including many new local families.

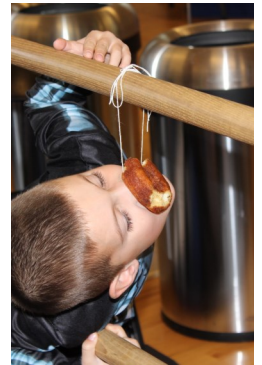

Family Fun Day events are geared towards families with young children. They promote cultural arts, build community spirit and model healthy and educational family activities. When we see parents, grandparents and kids all playing together, making new friends and engaging in lively conversations, we know we are providing a valuable resource to the Snoqualmie Valley families. Many of our events are free or low cost to the public.

We invite you to join our efforts by sponsoring Family Fun Day events. **Exposure at these events can be a powerful marketing tool for your business.** For example, The Si View Harvest Festival is an annual event that attracts children of all ages. It now encompasses our harvest carnival and haunted house, in addition to petting zoo and other activities which attracts 700+ visitors to the event.

**We would love to work with you!**

~Jessica Fischer, Si View Metro Parks

**YES! I'd like to be a sponsor for the 2018 Family Fun Day Programs**
