

Dear Junior Lifeguard/Swim Instructor,

Si View is very excited to have you as a part of our Aquatics team! We feel that the Junior Lifeguard/Swim Instructor program is a great opportunity for the youth of the valley to gain knowledge and experience while giving back to the community.

To make sure that our Junior Volunteers and our customers have the best possible experience we wanted to go over a few goals and expectations.

- The MOST important expectation of our Junior Volunteers is to always have a smile ☺ and have FUN!!!
- Always check-in with the supervisor on duty when you arrive for a shift and fill out your volunteer timesheet when you leave for the day.
- When you come to work, be ready to PLAY!!! Make sure that you bring a suit and towel each day
- We schedule by each lesson session. Please fill out an hour request for the sessions you would like to volunteer.

Please review and sign these expectations and return to Si View before your first day of volunteering. If you have any further questions please contact us at 425.831.1900.
