

Si View Dance

Si View Dance Holiday Showcases

It is that time of year to celebrate the Holidays and the New Year. We will have two shows this year, Friday December 6th and Saturday December 7th. This is a casual, festive show that gives the dancers the opportunity to share what they have learned over the quarter with their family and friends. The Friday showcase will be for family and friends, along with our bake sale. The Saturday showcase will be live during the holiday bazaar, giving the community an opportunity to see Si View dancers at their best.

Please note this performance is OPTIONAL and requires a performance fee of **\$12/dancer**. This fee is to cover the cost of the space, staffing, supplies, etc. **Families are required to register for the performance by Friday, October 18th.** If you have questions please let your instructors know.

Please wear class attire (color: pink or black depending on the class) and costumes will be provided by instructors. In early November a costume sheet will go home detailing what each class will need to complete their class coordinated costume. All classes are currently working hard on learning their dances to get ready for the end of trimester show.

Fundraiser bake sale! Please keep your eyes out for signup to donate items to the Si View Dance Bake Sale. We will then have the donated items out during the recitals and asking for donations to go toward the dance program! More info to come!

If you have any further questions please call or email your instructors.
