

TASTE THE MAT!!!!!!

Si View along with the Snoqualmie Valley Wrestling Club (SVWC) are excited to host our preseason camp. SVWC runs an introductory camp designed to teach the basic fundamental moves along with philosophies of Wrestling. This two week class will allow boys and girls from the ages of 5-14 the opportunity to experience the ancient sport of Wrestling without committing to a full season. This class consists of one hour practice/training sessions that will take place twice a week. Registration includes a SVWC t-shirt. Location will take place at Twin Falls Middle School.
